## Have You Thought of this for Christmas?

The best and most economical way to solve the problem of Christmas gifts

AT the last moment there will doubtless be many people—a relative, a friend, your pastor, your physician—for whom you have not yet found the right Christmas gift. So we offer a suitable suggestion.

Did it ever occur to you that a subscription to a magazine is always an appropriate as well as deeply appreciated gift?

For only one dollar through a subscription to MISSIONS you can send to a friend not only a monthly reminder of your kind remem-

brance but also an interesting, instructive and inspiring magazine that will keep him informed of the world progress of Christianity and the missionary achievements of his own denomination at home and abroad.

With each Gift Subscription we will send a handsome engraved three-colored Christmas Card that will announce to the recipient the name of the friend who thus extends Christmas greetings and assures the monthly arrival of MISSIONS throughout the year.

### FIVE CHRISTMAS GIFTS FOR FIVE DOLLARS

*In order to guarantee Gift Subscriptions beginning with the issue of January, 1930, names and remittances should reach us by December 20*

**Address MISSIONS, 276 Fifth Avenue, New York**
